BUSINESS EXPERIENCE

- December, 2016
January, 2015 • **BUSINESS OUTSOURCING SPECIALIST**
Accenture BPO, Prague Office

I achieved to develop risk management procedures in order to organize the supply chain management process for one of biggest worldwide medical company. I developed master data tools that were primary assessment for making decisions about acceptable of risk level for each customer. I maintained best monthly inventory reports for materials, stock level adjustments, establishing re-order points.
